D.O.B.: 16/10/2003

Nationality: Lebanese

Career Objective

I'm an enthusiastic and curious person who loves technology. I'm looking for an opportunity to learn, grow, and use my skills to help the team and create useful solutions

Work Experience

1-Haydar aluminum factory - South Lebanon (2018 - 2025)

Delegations & Expertise:

- Assembly and installation of windows, doors, kitchens, balconies.
- Choose suitable materials and accessories to ensure quality and durability.

- Collaborate with clients to provide customized and modern designs.
- Supervise installation work to ensure precision and customer satisfaction.

2-Summer Camp

Delegations & Expertise:

- Organize and lead daily activities such as sports, games, and workshops for campers.
- Supervise children and ensure their safety and well-being during camp hours.
- Assist in planning special events, field trips, and creative projects.
- Communicate with team members to maintain a positive and fun environment.
- Help resolve conflicts between campers and encourage teamwork and respect.
- Provide emotional support and guidance to campers when needed.

3-Phone maintenance (software and hardware) 2022-2025

Delegations & Expertise:

- Perform repairs such as screen replacement, battery replacement, and component fixes.
- Install and update operating systems and applications.
- Test devices after repair to ensure full functionality.
- Advise customers on proper device care and preventive maintenance.
- Keep records of repairs and manage inventory of spare parts.

4-Computer maintenance (hardware and a little bit of software) 2023-2025

Delegations & Expertise:

- Repair or replace components such as motherboards, RAM, hard drives, and power supplies.
- Assemble and upgrade computers according to client needs.
- Advise clients on proper maintenance and preventive measures.
- Self-taught: Python and HTML.

Education

2025 – 2026: ALmaaref University (still studying, Computer Science)

2022: CIS (course)

2023 – 2025: Lebanese University

2020 – 2023: Al-morabi Muhamad Falha Official Secondary School

2008 – 2019: Jabal-Amel Private School

Additional Skills

- Languages: English (basic), Arabic, French (basic, past study)
- A small hobby in reconstruction and agriculture
- I'm good at writing topics and I've already written a short story

Hobbies

- Working out
- Football
- Reading
